MEMORANDUM FOR: Acting Deputy Director for Administration
FROM : [REDACTED]
Acting Director of Personnel
SUBJECT : Office of Personnel Report --
Week Ending 7 October 1977

- * 1. (U) University of Michigan - Minority Career Day: Placement officials at the University of Michigan have again invited us to return to the Ann Arbor campus on 7 and 8 November to participate in their minority career day event. We have had good results in past years at this event. It is unique in the sense that it permits exposure to about 1,000 minority students at the graduate and undergraduate degree levels. Career day coordinator, Mr. James Patterson, reports that graduate enrollment of minority students at this major campus continues to grow. Many students from such southern colleges as Fisk, Hampton and Atlanta Center (Clark, Morehouse, Morris Brown and Spellman colleges) go on to Michigan for their advanced degrees. Approximately 150 employers are expected to attend this career day.
2. (U/AIUO) Recruiting in Puerto Rico: In a telephone conversation with Mrs. Emma Mendez, Co-op Coordinator at the University of Puerto Rico at Mayaguez, recruitment officials agreed to a combined visit in late January 1978. At that time we plan to interview engineers for regular employment, and the Coordinator for Special Programs will interview engineers for our Student Trainee Program. Since last year's visit to Puerto Rico, two candidates have entered on duty. One electrical engineer joined the Office of Logistics and one intelligence officer joined the Domestic Collection Division of DDO.
- * 3. (U/AIUO) Retirement Activity: These figures show total retirement activity for the period 10 August through 31 December 1977. The figures in the clear show totals.

theless, [REDACTED] is planning to keep his appointments because, even if the demonstration materializes, it will probably be a relatively minor affair. If it does become disruptive, he will, of course, depart the campus and contact the applicants at a later date.

5. (U/AIUO) Suggestion Box: One suggestion was received this week. It was directed to the Director of Central Intelligence. A total of 33 suggestions has been received in Suggestion Boxes since the program began on 15 June 1977.

6. (U/AIUO) Longshoremen's Strike: The Longshoremen's strike continues against the container steamship lines on the East and Gulf Coasts, with no settlement in sight. As of 6 October, the Longshoremen have not struck against the conventional break bulk carriers; however, according to the U.S. Dispatch Agent in Baltimore, there is a distinct possibility that they will also act against them.
